

DESIGNED FOR

Seated and horizontal free weight and barbell exercises

FLOORS PROTECTED

Rubber foot pads and end caps protect floors and keep bench firmly in place

ANGLED LEG DESIGN

Gives a wider base and promotes stability

FUNCTION AND FORM

An essential in the Eleiko's XF product range, the durable XF 80 bench is built from a sturdy black matte lacquered steel that is lightweight enough to easily move around your functional training space, yet sturdy in use. Our updated design features rubber end caps and feet to protect gym floors along with a durable cushion that is both comfortable and supportive while lifting. Our bench provides a solid foundation beneath the athlete regardless of their size or exercise performed.
