

ELEIKO XF

80 Half Rack with Pull-Up, J-cups, Safety Arms, Dips-Galvani

DESIGNED FOR

Outdoor strength training and functional fitness

RUST AND WEATHER RESISTANT

Galvanized finish ensure long lasting performance in outdoor environments

FOR HOME OR COMMERCIAL USE

Durable design suits both backyard setups and heavy commercial use

QUALITY MATERIALS

Industrial strength Swedish steel ensures quality that lasts

VERSATILE OUTDOOR TRAINING

FOR ALL-ROUND TRAINING – RAIN OR SHINE

Take your training outdoors with the galvanized Eleiko XF 80 Half Rack, featuring everything you need for outdoor strength training in a compact footprint. The galvanized finish provides weather- and rust-resistance, extending the durability of the rack. This all-in-one station features pull-up bars, j-cups, safety arms and dip handles, providing versatile outdoor training in both backyard setups and highly trafficked outdoor environments. Customize with attachments and storage components to create a training space tailored to your needs.
