

DESIGNED FÜR

Customizing racks in the Prestera Series

EASY TO MOUNT

Simply bolt plates in place between the top of the uprights

LIFTER PERSPECTIVE

With its angled placement, messaging is directed at the lifter

CUSTOM MESSAGE

TAILOR YOUR PRESTERA RACK WITH LOGOS OR MESSAGE

Add the Customization Plate to any Prestera Rack to add a personal touch to your strength station. Include a laser etched logo or a message tailored towards your athletes and members. With it's angled placement, the sign faces the lifter and can be used as a tool for building community and familiarity.
