

**DESIGNED FOR**

Life off the platform

**MADE FROM**

Comfortable cotton with a raw backside loop interior

**ATTENTION TO DETAIL**

Metal draw cord ends embossed with Eleiko

**QUALITY MATERIALS**

Organic cotton, polyester and elastane blend

## STYLISH COMFORT

Comfortable, durable, and stylish, the Dynamic Hoodie is made from an organic blend so it wears well and is a lifter's ideal companion before or after a training session. Soft, ribbed cuffs and hem keep warmth in while the large front pocket is a cosy spot for hands in cool temperatures. Part of the leisure line, the hoodie features a rubber Eleiko logo across the chest.
