

DESIGNED FOR

Life off the platform

MADE FROM

Comfortable cotton with a raw backside loop interior

ATTENTION TO DETAIL

Metal draw cord ends embossed with Eleiko

QUALITY MATERIALS

Organic cotton, polyester and elastane blend

STYLISH COMFORT

Comfortable, durable, and stylish, the Dynamic Hoodie is made from an organic blend so it wears well and is a lifter's ideal companion before or after a training session. Soft, ribbed cuffs and hem keep warmth in while the large front pocket is a cosy spot for hands in cool temperatures. Part of the leisure line, the hoodie features a rubber Eleiko logo across the chest.
