

DESIGNED FOR

To be used in conjunction with the Para Powerlifting Bench to keep athletes well positioned and secure

DURABLE DESIGN

Nylon straps are strong yet comfortable

USER FRIENDLY

Velcro closures are easy to operate yet secure

TWO LENGTHS

Strap is available in 2 m or 2,2 m lengths

SECURE POSITION

ADJUSTABLE STRAPS KEEP LIFTERS SECURED

Powerlifting Bench straps are used in conjunction with the Eleiko Para Powerlifting Bench Press to secure athletes during lifts. The durable cotton straps are available in two sizes and easy to operate velcro closures ensure the straps are easy to operate and adjust. The straps are designed in accordance with Para Powerlifting regulations.
