## LOOK AND FEEL OF NATURAL GRASS

A lush turf with a robust mixture of dark and light green yarn to imitate the appearance and texture of real grass. This artificial turf has a rugged construction, optimal durability and is mainly recommended for outdoor use. Crafted in environmentally-friendly, UV-stabilized yarn with a backing of fiber-locked fleece, the carpet's durability make it especially suited for landscapes, play areas and outdoor areas looking for the closest thing to a natural grass surface. The artificial turf is sold in rolls from 10 to 25 metres.
