## FUNCTIONELE TRAININGSNODEN

### DE ESSENTIE VAN FUNCTIONELE FITNESSTRaining IN EÉN KLEIN PAKKET

This assembly can be used either as a complete rig assembly or as a building block for creating and customising an XF 80 Rig solutions to meet your needs. This compact design is full of features to offer variety and support multiple users at one time. The design includes seven pull-up stations, four of which are appropriate for muscle-ups, three squat stations, monkey and wall bars, as well as several fitness attachments including a dip station. Choose from any of our XF Accessories and Rig Storage collections to add custom functionality, or expand it by grouping units or adding pieces from the Rig Framework collection.
