# FLEXIBLE TRAINING SET

## BARBELL DESIGN AND MANUFACTURING IN A COMPACT LOADABLE DUMBBELL

In our Eleiko Loadable Dumbbell Set PL we conveniently package everything needed to train with a loadable dumbbell solution. This kit includes two loadable dumbbells, four collars, and a range of powerlifting change plates to give you flexibility in finding the right load for your varied training needs. It is a versatile, space-saving training tool; weight can be easily adapted to suit training needs and can be adjusted in smaller increments so lifters can progress more naturally.

**SET BESTAAT UIT:** 2 x Eleiko Loadable Dumbbell 5 kg / 11 lbs / 12 x Eleiko IPF Powerlifting Competition Plate - 5 kg / 4 x Eleiko IPF Powerlifting Competition Plate - 2.5 kg / 4 x Eleiko IPF Powerlifting Competition Plate - 1.25 kg / 2 x Lock Jaw Pro 2 Collar - pair
